7.1.7 DIFFERENTLY ABLED (DIVYANGJAN) FRIENDLINESS

The Institution strives to create an inclusive and barrier-free environment for persons with disabilities (Divyangjan) on the campus. The following facilities are available / proposed to support differently abled students and visitors:

1. Provision of Ramp for Differently Abled Students

The College has provided a ramp facility at the campus to enable easy and independent movement of differently-abled students and visitors. This facility promotes accessibility, participation in academic and administrative activities, reduces dependency on others, and fosters a sense of confidence and empowerment.

2. Disabled-friendly washrooms

At present, separate disabled-friendly washrooms are **not available** on the campus. The institution plans to provide this facility in future as part of its infrastructural development.

3. Signage including tactile path, lights, display boards and signposts

Facilities such as tactile paths, Braille signage, special lighting, display boards, and signposts for Divyangjan are **proposed and will be installed** in future to enhance accessibility and navigation within the campus.
