INTRODUCTION

The Nursing Profession is the noblest of all professions and in immense demand globally, offering a highly rewarding career. The mission of Sandra Shroff College of Nursing is the all-round development of an individual, capable to understand and deliver quality care to sick and weary. Thus, preparing professionally competent care providers for future health industries. SSCN has a vision to see the amalgamation of knowledge and skill in preparing astute proficient nurses who will shine as a symbol of hope and trust for patient, family and community at large. SSCN trains, moulds & nurtures students & ensure that they move fast, with technological advances, as Nursing is an innovative, challenging and rewarding career which is in high demand. Nurses are working as a frontline worker for a patient care. They work in a wide variety of treatment and ensures that they get an opportunity to work in the institution of their choice in India or in abroad.

SSCN has been established in the year 2003 by Mrs. Sandra Shroff, Founder & Chairperson with sole purpose of enabling girls from union territory of below average families to stand on their feet & support their families. SSCN is the 1st B.Sc. Self-finance Nursing college in Gujarat and 1st M.Sc., Self-finance Nursing College in South Gujarat.

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of SSCN, it is proposes that institute should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of te institution towards promoting its holistic academic excellence. The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

VISION

- Create a global leader and competent nursing personnel through excellence in education, research, and health care practice

MISSION

- Prepare competent nursing personnel as a clinician, educators, leaders and researchers that strengthen the health and well-being of individual and society.

AIM:

- The primary aim of IQAC is
- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the SSCN.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

OBJECTIVES:

- To promote the scientific base of nursing knowledge and skill through innovative teaching methodology.
- To train competent nurse for preventive & curative health care to the patient at various health care settings.
- To build all round development of the students in curricular, co-curricular and extracurricular activities.
- To initiate, undertake and promote quality research in various health care settings.

STRATEGIES:

- IQAC shall evolve mechanisms and procedures for SSCN.
- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

FUNCTIONS:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback response from students, parents and other stakeholders on quality related institutional processes.
- Dissemination of information on various quality parameters of higher education.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development of Quality Culture in the institution.
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

BENEFITS

IQAC will facilitate / contribute to:

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement.
- Ensure internalization of the quality culture.
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
- Provide a sound basis for decision-making to improve institutional functioning.
- Act as a dynamic system for quality changes in HEIs.
- Build an organized methodology of documentation and internal communication.
