## 7.1- INSTITUTIONAL VALUES AND SOCIAL RESPONSIBILITIES

### 7.1.7 DIFFERENTLY ABLED (DIVYANGJAN) FRIENDLINESS

The Institution strives to create an inclusive and barrier-free environment for persons with disabilities (Divyangjan) on the campus. The following facilities are available / proposed to support differently abled students and visitors:

#### **1. Provision of Ramp for Differently Abled Students**

The College has provided a ramp facility at the campus to enable easy and independent movement of differently-abled students and visitors. This facility promotes accessibility, participation in academic and administrative activities, reduces dependency on others, and fosters a sense of confidence and empowerment.

## 2. Disabled-friendly washrooms

At present, separate disabled-friendly washrooms are **not available** on the campus. The institution plans to provide this facility in future as part of its infrastructural development.

## 3. Signage including tactile path, lights, display boards and signposts

Facilities such as tactile paths, Braille signage, special lighting, display boards, and signposts for Divyangjan are **will be installed** in future to enhance accessibility and navigation within the campus.

## 4. Assistive Technology and Facilities for Persons with Disabilities (Divyangjan)

Currently, facilities such as an accessible website, screen-reading software, and mechanized assistive equipment are **not available**. The institution is aware of the importance of such assistive technologies and intends to incorporate them gradually in accordance with institutional resources.
