## Activity Report

Sandra Shroff College of Nursing, Vapi organized an online webinar on Career Guidance for 4th Year B.Sc. Nursing and 3rd Year GNM students on 1st September 2025. The program was arranged with the objective of providing students with clarity regarding future academic and professional opportunities in the field of nursing. The transition from academic life to professional practice is a crucial phase for nursing students. To bridge this gap and provide direction, the college invited Mr. K.P., an expert in the field, to conduct the session. His talk focused on guiding students about career advancement, higher education, competitive examinations, and the wide range of opportunities available in the nursing profession. Highlights of the session: Mr. K.P. Sir. Explained about Career options after B.Sc. Nursing, M.Sc. Nursing and GNM. Sir discussed about government job opportunities in India and provided strategies on how to prepare for competitive examinations and also explained about salary structures in detail. Sir also guided students on which course to pursue after B.Sc. nursing OR GNM for further career development And common challenges faced in the nursing profession were also highlighted. At the end of the session, Mr. K.P. Sir collected feedback from the students. The participants expressed that the webinar was very informative and helpful for their career planning. The feedback received was highly positive. Conclusion: The session was well – received by all the students. They gained valuable insights into future career goals and opportunities. The webinar concluded successfully at 5:00 pm.
