DETAILS OF GREEN CAMPUS INITIATIVES OF THE INSTITUTION

Sandra Shroff College of Nursing, Vapi is committed to environmental sustainability and promotes a green and eco-friendly campus through various initiatives involving students and staff. The institution celebrated **World Environment Day on 5th June 2024**, organized by the National Service Scheme (NSS) and Students Nurses Association (SNA) with the theme **“Land Restoration, Desertification, and Drought Resilience.”** The program included awareness sessions, pledge taking, and motivational speeches highlighting environmental protection, plastic waste reduction, and the principles of Reduce, Reuse, and Recycle.

As part of the green initiative, a **tree plantation drive** was conducted in the **college and hostel campus, during which 15–20 saplings** were planted with the active participation of **3rd Semester B.Sc. Nursing and 2nd Year GNM students, teaching and non-teaching staff, and administrators.** Students were sensitized towards the conservation of natural resources and sustainable environmental practices.

These initiatives have contributed to increasing green cover, promoting environmental awareness, and nurturing a sense of ecological responsibility among students and staff, thereby strengthening the institution’s commitment to a clean, green, and sustainable campus.

BAN ON USE OF PLASTICS

Sandra Shroff College of Nursing, Vapi has initiated measures to **ban and reduce the use of plastic** through awareness and community-based activities. An awareness programme was conducted on **3rd October 2023 at Gunjan, Vapi** by **2nd Year B.Sc. Nursing (4th Semester) students**.

Through **role play and public interaction**, students highlighted the harmful effects of plastic pollution, improper plastic waste management, and the importance of avoiding **banned single-use plastics**. During the programme, **cloth bags were distributed to vegetable vendors** and the public was motivated to adopt eco-friendly alternatives.

This initiative promoted environmental consciousness and encouraged sustainable practices among students and the community.
