4.1.1 DESCRIPTION OF ADEQUACY OF FACILITIES FOR TEACHING-LEARNING (2024-25)

The institution features state-of-the-art infrastructure that promotes academic and clinical excellence. Key facilities include technology-integrated classrooms, seminar halls, a 350-seat auditorium, well-equipped laboratories, and separate accommodations for male and female students. Classrooms and seminar halls are fitted with Wi-Fi connectivity and LCD projectors, ensuring an advanced teaching-learning environment. Students gain extensive clinical exposure through training at affiliated hospitals such as GMERS Hospital, Valsad, District Hospital, Vapi, 21st Century Hospital, Vapi, Mental Hospital, Vadodara, SRH Hospital, Dharampur, National Burns Centre, Aeroli, Mumbai, Nadkarni Hospital, Pardi. Students also receive comprehensive exposure at the parent hospital, Haria L.G. Rotary Hospital. Community-based education is reinforced through collaborations with CHCs, PHCs (Pardi CHC, Chhiri PHC, Orwad PHC, Dunga UPHC, Valmiki Awas UPHC), and Sub-Centers, in compliance with regulatory guidelines. Additionally, AYUSH-related therapy training is provided at AYUSH Hospital, Valsad, fostering a well-rounded approach to education. The nursing skill labs are equipped with full-body mannequins, labor models, CPR aids, suturing models, and IM injection practice kits, adhering to INC standards. The Advanced Simulation Lab boasts specialized equipment that simulates real-world scenarios for training, education, and research. The campus is supported by round-the-clock power backup, CCTV surveillance, RO-purified water, fire safety systems, lifts, ramps, and transportation facilities, ensuring safety, accessibility, and convenience. Together, these all-encompassing facilities create a dynamic learning environment that empowers students with the skills, confidence, and knowledge necessary for professional success.
