DEPARTMENT OF COMMUNITY HEALTH NURSING

VISIT REPORT

ON

COMMUNITY HEALTH CENTRE, PARDI

DATE: 25TH FEBRUARY 2025

“COMMUNITY HEALTH CENTRE”

Location: Pardi, Gujarat

Date of Visit: 25/02/2025 **Time:** 10:00 am

Name of Faculty Involved: Mrs. Hetal Patel and Mrs. Ketika Patel

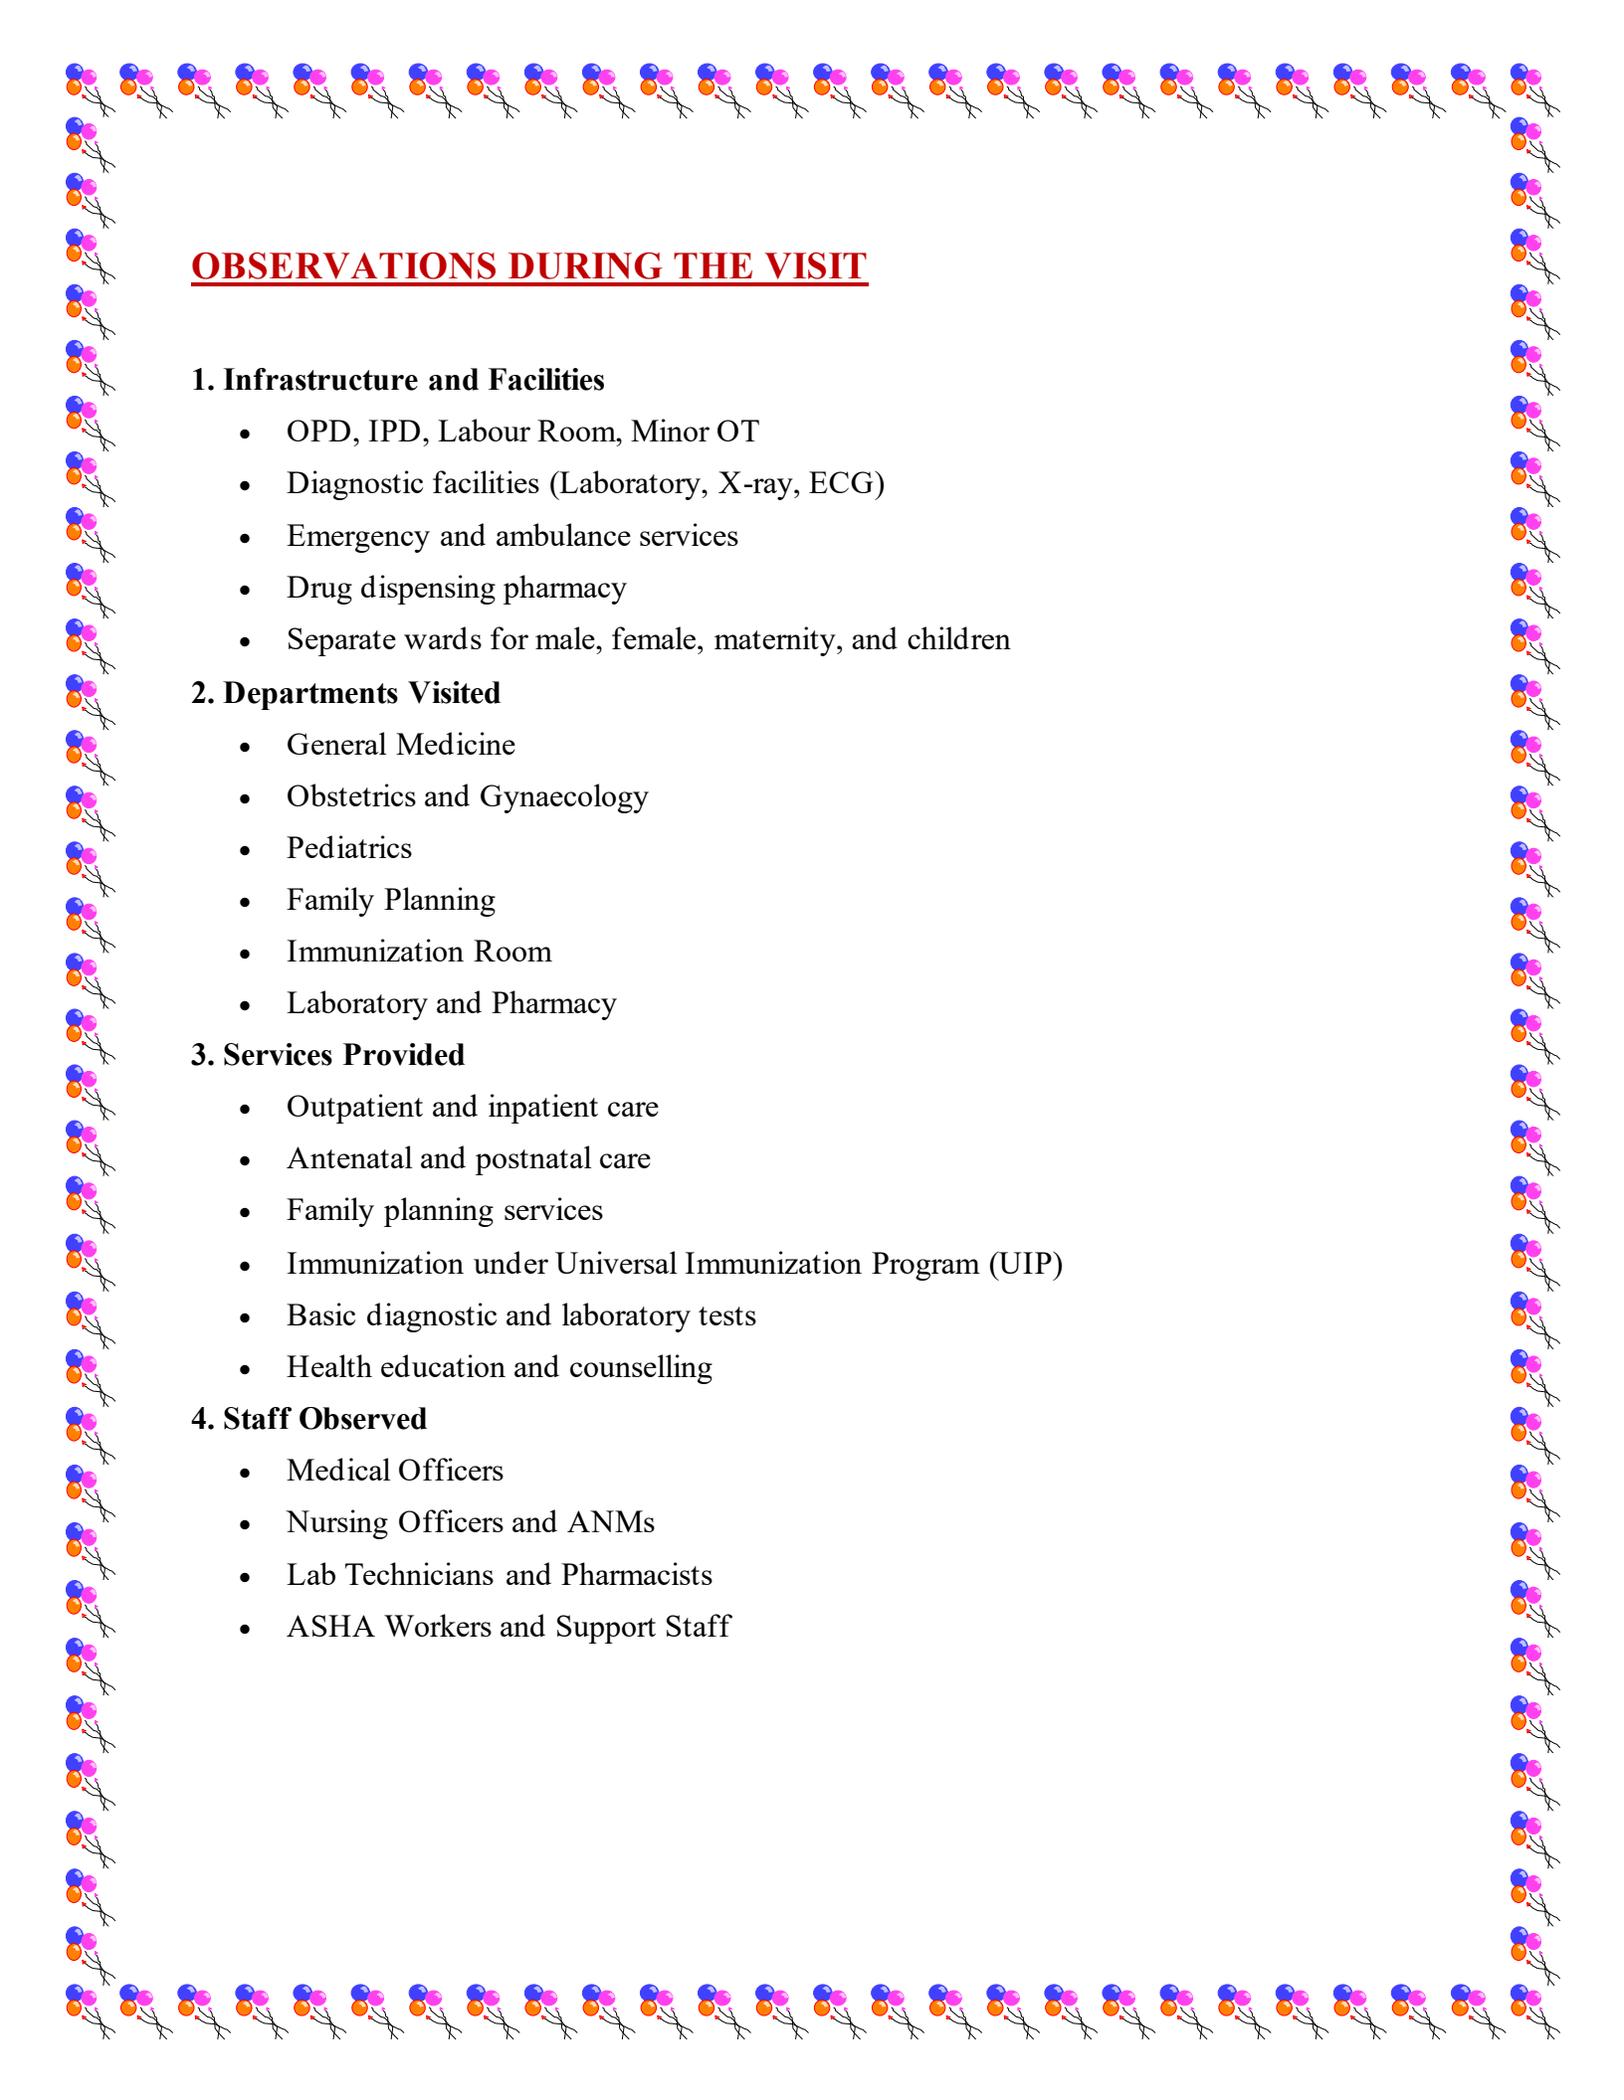

INTRODUCTION

An educational visit was planned for the third year GNM students as a part of their curriculum. We as group of 16 students and 2 faculty member went to CHC visit on 25th February 2025.

OBJECTIVES OF VISIT:

- To understand the structure and functioning of a Community Health Centre
- To understand the role of nurse in the CHC setting.
- To observe health records and reporting system
- To understand referral mechanisms and linkage with higher-level facilities.

A Community Health Centre (CHC) is a 30-bedded hospital established in rural areas by the government to provide referral health services. It acts as a First Referral Unit (FRU) for Primary Health Centres (PHCs) and provides curative, preventive, and promotive healthcare services to the rural population.

OBSERVATIONS DURING THE VISIT

1. Infrastructure and Facilities

- OPD, IPD, Labour Room, Minor OT
- Diagnostic facilities (Laboratory, X-ray, ECG)
- Emergency and ambulance services
- Drug dispensing pharmacy
- Separate wards for male, female, maternity, and children

2. Departments Visited

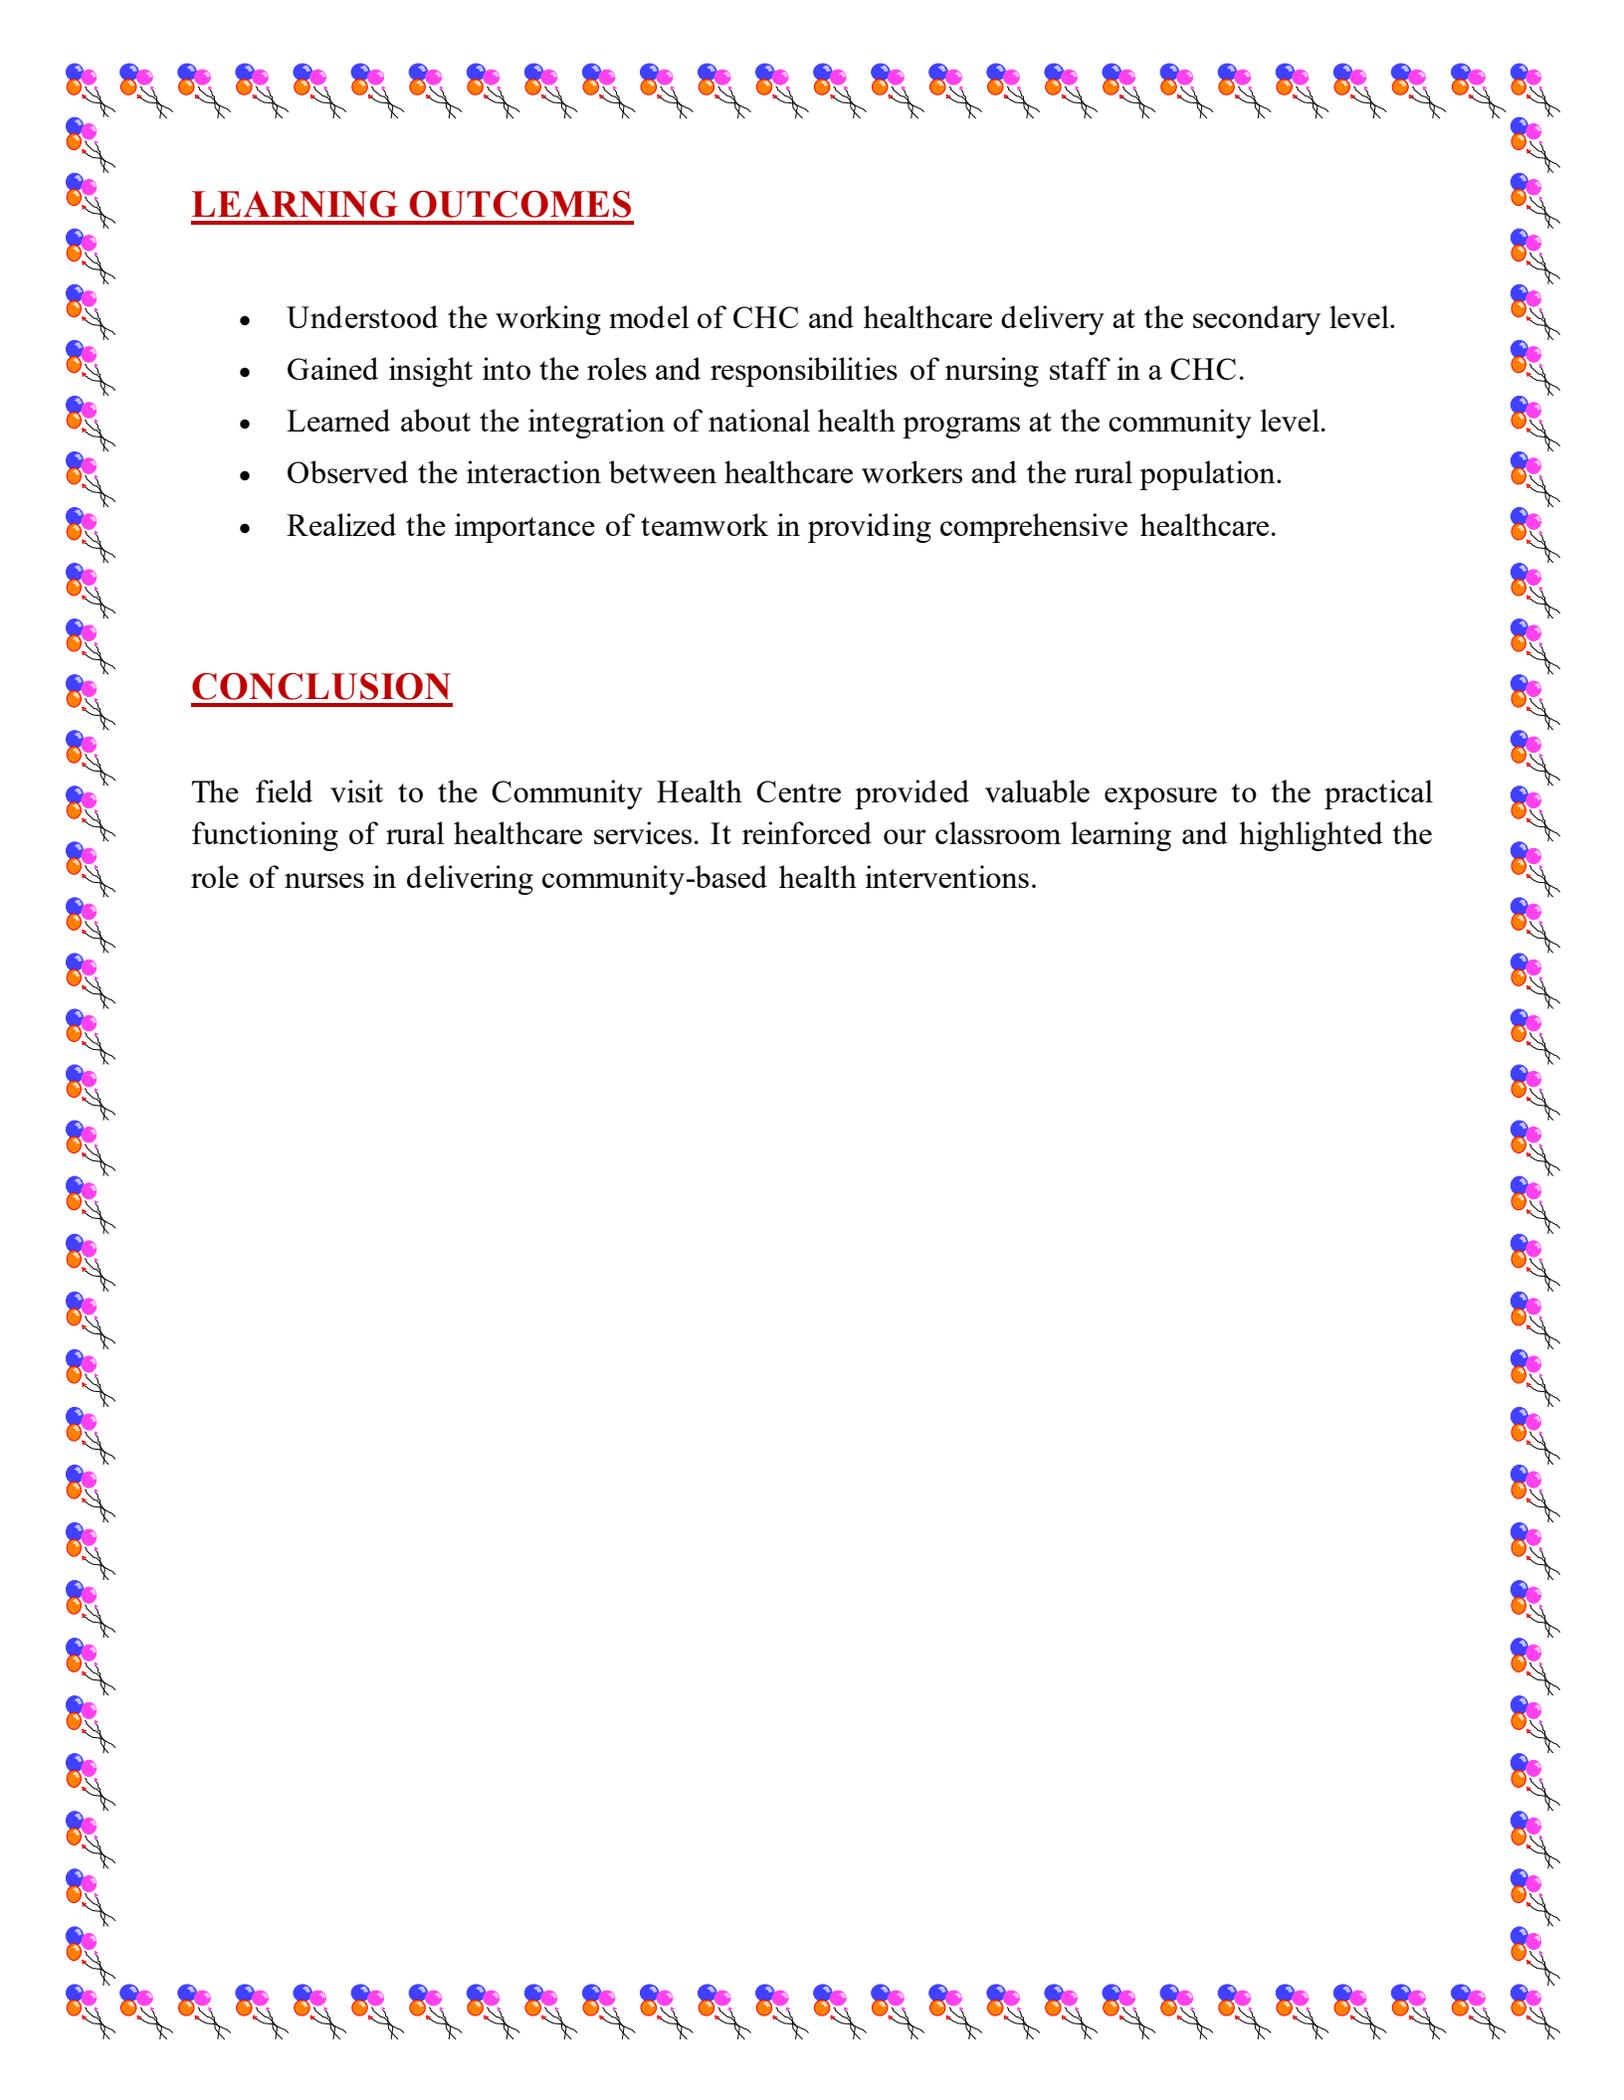

- General Medicine
- Obstetrics and Gynaecology
- Pediatrics
- Family Planning
- Immunization Room
- Laboratory and Pharmacy

3. Services Provided

- Outpatient and inpatient care
- Antenatal and postnatal care
- Family planning services
- Immunization under Universal Immunization Program (UIP)
- Basic diagnostic and laboratory tests
- Health education and counselling

4. Staff Observed

- Medical Officers
- Nursing Officers and ANMs
- Lab Technicians and Pharmacists
- ASHA Workers and Support Staff

LEARNING OUTCOMES

- Understood the working model of CHC and healthcare delivery at the secondary level.
- Gained insight into the roles and responsibilities of nursing staff in a CHC.
- Learned about the integration of national health programs at the community level.
- Observed the interaction between healthcare workers and the rural population.
- Realized the importance of teamwork in providing comprehensive healthcare.

CONCLUSION

The field visit to the Community Health Centre provided valuable exposure to the practical functioning of rural healthcare services. It reinforced our classroom learning and highlighted the role of nurses in delivering community-based health interventions.

VISIT REPORT

ON

INTEGRATED CHILD DEVELOPMENTAL SERVICES

CHILD DEVELOPMENT PROJECT OFFICER (CDPO) OFFICE

DATE: 4th June , 2025

“INTEGRATED CHILD DEVELOPMENTAL SERVICES CHILD DEVELOPMENT PROJECT OFFICER (CDPO) OFFICE”

Location: Balitha , Vapi Gujarat

Date of Visit: 04/06/2025 **Time:** 11:00 am

Name of Faculty Involved: Mrs. Ketika Patel

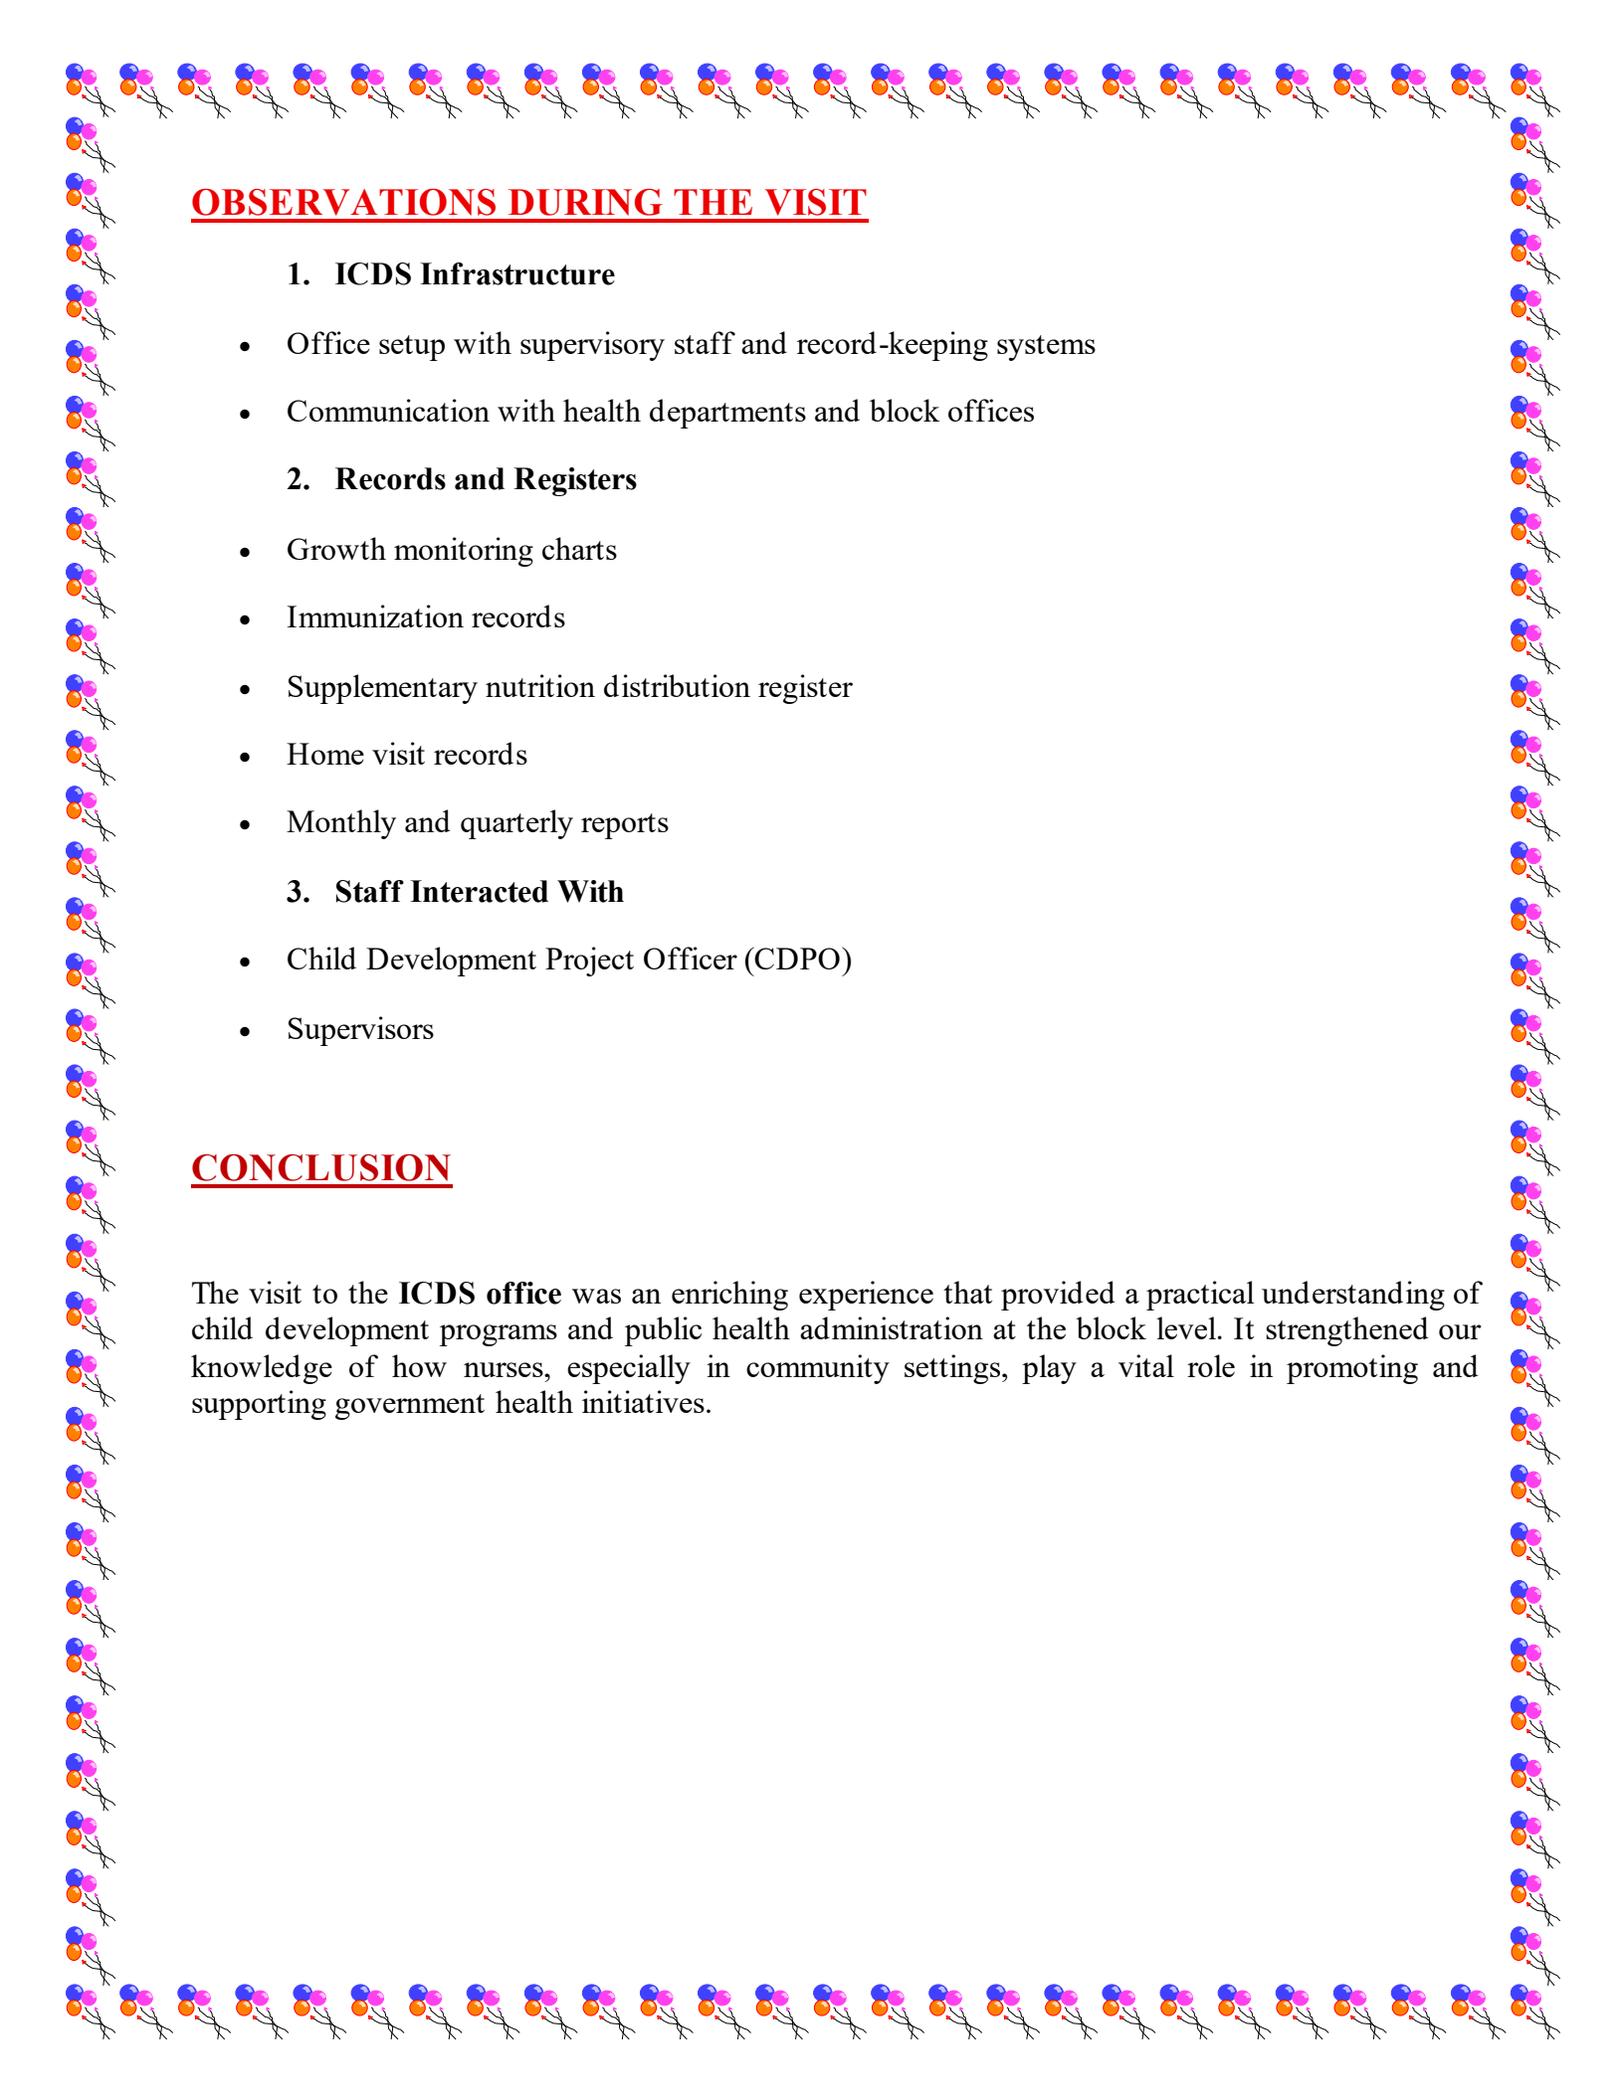

INTRODUCTION

An educational visit was planned for the third year GNM students as a part of their curriculum. We as group of 16 students and faculty member went to ICDS (CDPO) Office visit on 4th June 2025.

OBJECTIVES OF VISIT:

- To know the organizational structure of ICDS system.
- To understand the goals and functioning of the Integrated Child Development Services ICDS scheme.
- To gain knowledge about various services provided under ICDS such as supplementary nutrition ,immunization, health check -up referral services ,pre-school education and health and nutrition education.
- To observe record keeping, reporting system and monitoring tools used in ICDS office.

OBSERVATIONS DURING THE VISIT

1. ICDS Infrastructure

- Office setup with supervisory staff and record-keeping systems
- Communication with health departments and block offices

2. Records and Registers

- Growth monitoring charts
- Immunization records
- Supplementary nutrition distribution register
- Home visit records
- Monthly and quarterly reports

3. Staff Interacted With

- Child Development Project Officer (CDPO)
- Supervisors

CONCLUSION

The visit to the **ICDS office** was an enriching experience that provided a practical understanding of child development programs and public health administration at the block level. It strengthened our knowledge of how nurses, especially in community settings, play a vital role in promoting and supporting government health initiatives.

ACTIVITY REPORT

The Department of Mental Health Nursing and Counselling Cell–SPARSH of Sandra Shroff College of Nursing, Vapi, organized a series of enlightening and interactive activities to commemorate World Mental Health Week 2025 on the theme “Access to Services — Mental Health in Catastrophes and Emergencies.” The celebration commenced on 7th October 2025 with an inaugural session and expert talk on “Mental Health in Catastrophes and Emergencies” by Dr. Jeet Nadpara, Psychiatrist, Shantman Hospital, Vapi. The session enhanced participants’ understanding of psychological resilience and coping strategies during crises. On 8th October 2025, a poster competition on “Hope and Support in Crisis” was conducted, allowing students to creatively express the significance of empathy, awareness, and timely intervention in promoting mental well-being.

On 9th October 2025, 8th semester (4th-year B.Sc. Nursing) students presented a panel discussion on “Bridging the Gap: Challenges in Accessing Mental Health Services During Catastrophes.” The discussion provided insightful perspectives on barriers to mental health services and innovative strategies for improving accessibility during emergencies. The week concluded on 10th October 2025 with an awareness program and role play presented by 6th semester (3rd-year B.Sc. Nursing) students on “Restoring Hope After a Catastrophe.” The performance highlighted the vital role of nurses in delivering psychological first aid and community-based mental health support following disasters.

The week-long observance successfully promoted awareness, compassion, and advocacy for mental health accessibility, emphasizing the importance of normalizing help-seeking behavior and fostering a supportive environment for those in emotional distress.

CIRCULAR

National Blood Donation Day

Date: 29th September 2025

This is to inform all 3rd Semester, 5th Semester, and 6th Semester B.Sc. Nursing students, as well as 2nd Year GNM students, that the NSS Unit of *Sandra Shroff College of Nursing, Vapi* will be organizing a programme on the occasion of National Blood Donation Day on 1st October 2025. A discussion session on the theme "Give Blood, Give Life" will be conducted under the guidance of Dr. Anita Nawale (In-Charge Principal) and Mrs. Nirali Desai (NSS Programme Officer), along with the NSS team. The event will be held in the Assembly Area (Ground Floor) at 8:45 AM. All participants are instructed to be present by 8:40 AM and are expected to attend the session with sincerity and discipline. The programme aims to create awareness about the importance of voluntary blood donation and to encourage students to actively participate in promoting this life-saving cause.

INTRODUCTION

The National Service Scheme (NSS) Unit of Sandra Shroff College of Nursing, Vapi celebrated National Blood Donation Day on 1st October 2025 to create awareness about the importance of voluntary blood donation and to encourage students to actively participate in promoting this life-saving cause.

ACTIVITY REPORT

On the occasion of National Blood Donation Day on 1st October 2025, a discussion session was organized by the NSS Unit of Sandra Shroff College of Nursing, Vapi, under the guidance of Mrs. Nirali Desai, NSS Programme Officer, and the NSS team. The event took place in the Assembly Area (Ground Floor) and was attended by around 200 participants, including 3rd, 5th, and 6th Semester B.Sc. Nursing students, 2nd Year GNM students, and all faculty members. During the session, Ms. Saniya Thomas, a student of 5th Semester B.Sc. Nursing, delivered an informative presentation on National Blood Donation Awareness, emphasizing the importance and benefits of voluntary blood donation. The event concluded with all participants taking a pledge to contribute to blood donation and promote awareness in the community. The programme encouraged students to understand the significance of saving lives through blood donation and inspired them to take part in future donation drives. The session was interactive and created a sense of social responsibility among all attendees.

NSS SPECIAL VILLAGE CAMP 2025

Date of Event: 04/03/2025 to 10/03/2025

Venue: Kumbharvad, Mahiyavanshi Faliya, Motivada Village

Occasion: NSS SPECIAL VILLAGE CAMP

Participants: 34 NSS Volunteers from 1st Year GNM and 12 NSS Volunteer from 4th Year B.Sc. Nursing

INTRODUCTION

The National Service Scheme (NSS) is a flagship program of the Government of India that aims to develop the personality of students through community service. The NSS Special Camp is an essential part of this initiative, focusing on providing students with opportunities to engage in meaningful social work while also fostering a sense of responsibility and social awareness.

This report presents an overview of the NSS Special Camp organized at Kumbharvad, Mahiyavanshi Faliya, Motivada Village from 4th March 2025 to 10th March 2025. The primary objectives of the camp were to engage participants in activities that would contribute to the welfare of the local community, promote values of unity, selfless service, and national integration, and enhance the personal and leadership skills of the volunteers.

This report details the activities undertaken during the camp, the outcomes achieved, and the personal experiences of the volunteers, highlighting the importance of community service in shaping future leaders.

OBJECTIVES OF THE NSS SPECIAL VILLAGE CAMP

- 1) To raise awareness about women's rights, gender equality, and the importance of women's participation in social, economic, and political spheres.
- 2) To encourage and promote cleanliness and hygiene in the community through active participation in cleanliness drives.
- 3) To educate the community about the dangers and social consequences of alcohol abuse.
- 4) To introduce and promote the physical and mental health benefits of yoga among school children.
- 5) To celebrate and honor the contributions of women to society while promoting gender equality.

6) To spread awareness about the importance of blood donation and to educate the community on how regular donations can save lives.

7) To provide free screening and health check-ups for hypertension and diabetes, with the aim of early detection and prevention.

8) To raise awareness about sickle cell anemia, its symptoms, and available treatments.

SANDRA SHROFF COLLEGE OF NURSING, VAPI

AGENDA FOR NSS SPECIAL VILLAGE CAMP
Area: Motivada, Kumbharvad, Valsad

Date	Day	Activity
04/03/2025	Day 1	Inauguration of the Camp & Women Empowerment
05/03/2025	Day 2	Village Cleanliness Drive Ek Kadam Swachhta Ki Aur
06/03/2025	Day 3	Awareness Campaign On ill effect of Alcoholism & Deaddiction
07/03/2025	Day 4	Yoga Session
08/03/2025	Day 5	Awareness on Blood Donation
09/03/2025	Day 6	Screening for Hypertension & Diabetes
10/03/2025	Day 7	Sickle Cell Awareness Programme

REPORT OF THE DAY

DAY-01: Inauguration of the camp & Seminar on Women Empowerment

On March 4, 2025, the NSS Special Village Camp at Motivada Village was inaugurated at the Gram Panchayat Motivada. The inauguration ceremony was graced by distinguished guests, including the Sarpanch, Mr. Jaysukh Bhai; Dr. Rekha Bhandari, the President of the Inner wheel Club; Mrs. Anita Gupta, the Vice President of the Inner wheel Club, Mr. Rushit Masrani; Government employee Speaker for women empowerment, Dr. Anita Nawale, Vice Principal of Sandra Shroff College of Nursing, Vapi; Mr. Degish Ahir and Mr. Hemant Patel, member of the Village Committee. The event was held in the presence of the villagers and NSS volunteers.

The guests were warmly welcomed with flowers. The program began with the lighting of the lamp, followed by the theme opening.

Mr. Rushit Masrani gave an inspiring speech on Women Empowerment. Following his speech, a representative from the District Health Department spoke on the topic Beti Bachao, Beti Padhao.

The Inner wheel Club President delivered a speech about the importance of occupational activities for women and scholarships for education.

The program concluded with the distribution of snacks to the gathering.

DAY- 02: Village Cleanliness Drive

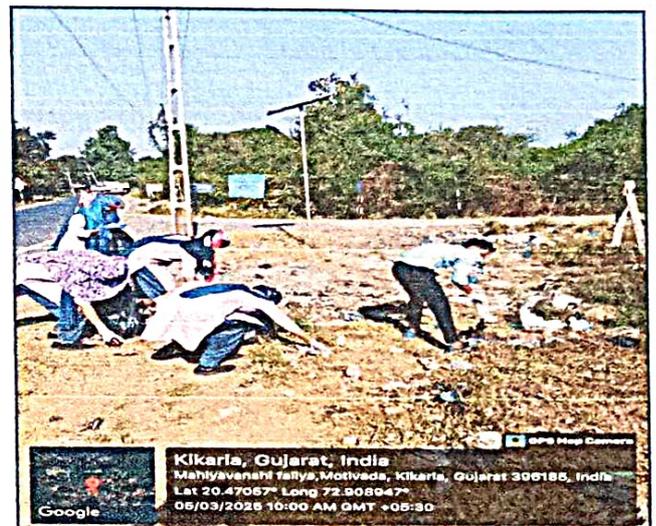

Ek Kadam Swachhta Ki Aur

On the second day of the NSS Special Village Camp, held on 5th March 2025, we conducted a cleanliness drive as part of the campaign "Ek Kadam Swachhta Ki Aur" (One Step Towards Cleanliness). The goal of this initiative was to promote environmental awareness and foster a cleaner and healthier living environment for the village communities.

During this drive, our NSS volunteers were divided into several groups to cover key areas in the village, including Kumbharvad, Mahiyavanshi Faliya, the area near the local temple, Kolivad, and Mota Faliya. Each team worked diligently to clean up their assigned areas, collecting garbage and waste materials, such as plastic wrappers, bottles, and other non-biodegradable waste that had accumulated in the open spaces.

The waste was carefully collected into large black bags to ensure proper disposal. In order to maintain hygiene and prevent further environmental hazards, the gathered waste was then burned in a safe and controlled manner, following proper waste management protocols.

The cleanliness drive not only helped in clearing up these areas but also aimed to instill a sense of responsibility and environmental consciousness among the villagers. We engaged with the local community, educating them on the importance of waste segregation, reducing plastic use, and maintaining cleanliness in public spaces.

DAY- 03: Awareness campaign on ill effects of alcoholism & Deaddiction Strategies

On the third day of the NSS Special Village Camp, the NSS volunteers of the 1st-year GNM program, including Ms. Yogita, Neha, and Riya, performed an impactful role play highlighting the ill effects of alcoholism. The role play was carefully designed to raise awareness about the harmful consequences of alcohol consumption on various aspects of life.

Throughout the performance, the volunteers demonstrated how alcoholism negatively impacts health, both physically and mentally, leading to serious conditions like liver damage, heart problems, and addiction. They also depicted how alcohol abuse can result in financial instability, broken relationships, and social isolation, affecting not just the individual but also their family and community.

In addition to highlighting the health risks, the volunteers also focused on the importance of deaddiction. They educated the audience about the available resources and methods for overcoming alcohol dependence, such as counseling, rehabilitation centers, and support groups. They emphasized that with the right guidance and treatment, recovery is possible, and individuals can regain control over their lives.

The role play was well-received by the community, as it effectively conveyed the message of the dangers of alcoholism while offering hope and

solutions for those struggling with addiction. Through this session, the NSS volunteers contributed to spreading awareness about the need for better health practices and the importance of seeking help to combat alcohol dependence.

DAY- 04: Yoga Session

On the 4th day of the NSS Special Camp, on 7th March 2025, a yoga session was organized at Main Primary School, Motivada, with the assistance of Mrs. Sheetal Trigotra, the District Gujarat Yoga Coordinator. She conducted a two-hour session, during which yoga exercises were performed by the school teachers, students, NSS volunteers, and the NSS Programme Officer. The session included various asanas, pranayama (breathing exercises), and relaxation techniques, which were aimed at enhancing physical health, mental well-being, and promoting inner peace.

Mrs. Sheetal Trigotra explained the importance of yoga in daily life and how it can be incorporated to reduce stress, improve concentration, and boost overall health. Participants actively engaged in the session, and the environment was filled with enthusiasm and positivity.

The benefits of yoga were evident as everyone felt more energized, focused, and relaxed after the session. The event helped in fostering a sense of unity and teamwork among the participants. It was an enriching experience for all involved, and the NSS volunteers, along with the school teachers and students, expressed their gratitude for the opportunity to take part in this beneficial activity. This yoga session proved to be a valuable addition to the NSS Special Camp, contributing to the holistic development of all the participants.

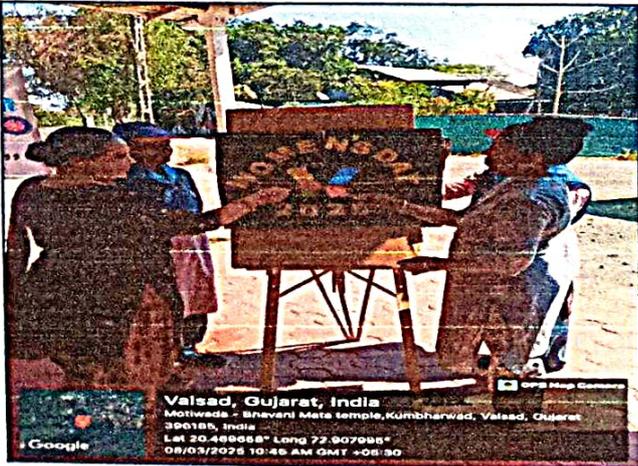

DAY- 05: Women’s Day Celebration and Awareness on Blood Donation

On the 5th day of the NSS Special Camp, we celebrated International Women's Day with the women of Kumbharvad and Motiwada village at the Bhavani Mata Temple. The event began with an opening ceremony led by the women of Motiwada village, along with first-year GNM students and Nursing Tutor Mrs. Rinkal Patel. The first-year GNM students took the initiative to educate the group on the importance of blood donation, raising awareness about its life-saving potential.

Following the informative session, a gesture of appreciation was made by distributing chocolates to all the participants. This not only honored the women but also emphasized the significance of community welfare and support. The session was successful in empowering the local women and raising awareness about blood donation.

The celebration of International Women's Day in such a meaningful and engaging manner helped strengthen the bond between the community and the NSS team, making the day both memorable.

DAY- 06: Screening of Hypertension & Diabetes

On the 6th day of the NSS Special Village Camp, held on 9th March 2025, a health screening camp was organized at the Bhavani Mata Temple, Motivada, focusing on the early detection of hypertension and diabetes mellitus. The screening took place from 9:00 AM to 1:30 PM. A total of 91 individuals participated in the camp, where their blood sugar levels and blood pressure were checked by the first-year GNM students, 4th-year B.Sc Nursing students, and the Department of Community Health Nursing.

Out of the 91 participants, 52 individuals were found to be hypertensive, and 10 were diagnosed with diabetes mellitus. This screening initiative not only helped in identifying undiagnosed cases of hypertension and diabetes but also provided an opportunity to raise awareness among the local community about the importance of regular health check-ups and early intervention.

The camp was a valuable step toward promoting better health practices in the village, empowering the residents to take control of their health and seek timely medical attention if necessary. The event also helped strengthen the collaboration between the NSS team and the community, enhancing the overall impact of the camp.

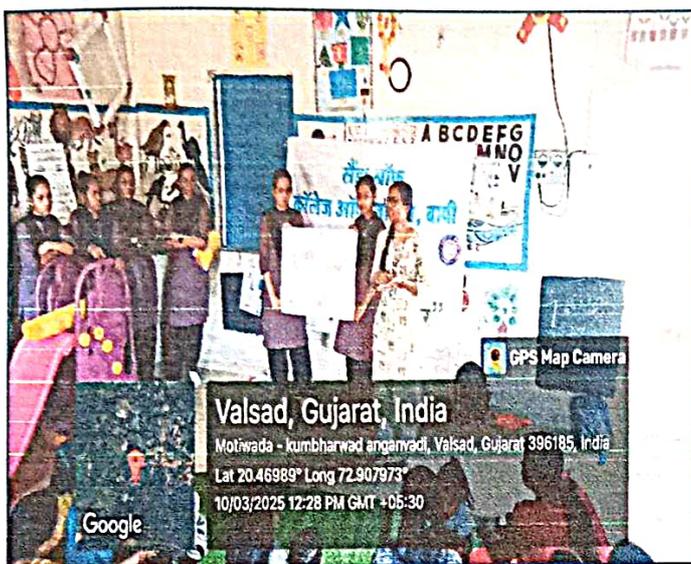

DAY- 07: Sickle Cell Awareness Programme

On the final day of the NSS Special Village Camp, held on 10th March 2025, a Sickle Cell Awareness Program was organized at the Anganwadi Center, Kumbharvad, Motivada. The session began with an informative talk by Mrs. Ashwini Patel, Nursing Tutor from the Department of Community Health Nursing, who explained the basics of sickle cell disease, including its causes, symptoms, and management strategies.

Following the lecture cum discussion, 4th-year B.Sc Nursing students conducted a live demonstration to further educate the participants about the

condition. They provided practical health education, covering key aspects such as the prevention, early detection, and management of sickle cell disease.

The program was attended by 15 women from the village, along with the Anganwadi worker and helper. This initiative aimed to raise awareness among the local community, especially women, about the significance of early diagnosis and management of sickle cell disease, empowering them to take proactive steps for their health and the health of their families.

CONCLUSION

In conclusion, the NSS Special Village Camp held from 4th to 10th March 2025 in Motivada Village was a resounding success, marked by a series of impactful activities aimed at improving the health, well-being, and awareness of the local community. I acknowledge with gratitude and devotion to the Almighty God, whose grace and blessings accompanied us throughout this event. Heartfelt gratitude to Smt. Sandra Shroff Mam, Founder and Chairman of S.S.C.N, Vapi, for her unwavering support. I am thankful to our beloved Principal Sir, Prof. Mr. Samuel Fernandis, M.Sc. (N), for his guidance and encouragement for this program, and to all the faculty members of the Community Health Nursing Department, especially Dr. Anita Nawale, Vice Principal and HOD of the Community Health Nursing Department; Mrs. Suparna Chakraborty; Mrs. Hetal Patel; Mrs. Ashwini Patel; Mrs. Ketika Patel; and Mrs. Rinkal Patel, for their invaluable contributions and support.

In this camp the volunteers participated in various initiatives, including a cleanliness drive, health screenings, yoga sessions, and awareness programs on topics such as women empowerment, alcohol addiction, blood donation, and sickle cell disease. These activities not only helped foster community involvement but also empowered the villagers with crucial knowledge and resources to improve their quality of life. The camp highlighted the importance of collaboration between the volunteers, the community, and local organizations, contributing to a stronger bond and greater community health awareness. The event proved to be an enriching experience for all involved, leaving a lasting positive impact on the village and its residents.

THANK YOU

Date of Visit: 03/05/2025 **Time:** 10:00 am

Name of Faculty involved: Mrs. Ashvini Patel and Mrs. Ketika Patel

OLD AGE HOME

“Old age home is a Multi residence housing facility intended for senior citizen.”

We visited the Aadhaar old Age Home in Pariya as part of our requirements for Community Health Nursing- II, along with the 3rd year GNM students from Sandra Shroff College of Nursing, Vapi.

INTRODUCTION

On 3rd May 2025 at 10:00 AM, we arrived with all the Third Year GNM students. Firsts, we gathered for a meeting where the head of the institution, Mr. Suresh Bhai, provided an introduction to their physical setup and the organizational facilities they offer.

OBJECTIVES OF VISIT:

- To explore out the physical set up of the institute.
- To find out the organizational structure of institute.
- To know the how service and facilities provided to them.
- To discuss about accommodation, food and recreational facilities provided to them.
- To learn about medical facilities provided to them.
- To make them happy and bring smile on their face.

The Aadhaar Trust is situated on 9 acres of land, with a total of 160 elderly residents living in the home. Later, he provided an orientation of the institution and introduced us to the members. The students interacted with the residents, discussing how they happily live there, how their needs are met, and how they enjoy the various activities.

Facility provided at the old age home:

➤ **Food facility:**

- The Aadhaar trust people making the food for the all old age people and separate kitchen is available for making the food.
- The kitchen was very hygienic.
- They are providing the morning breakfast, lunch, evening tea and dinner, the time was fix for lunch that is 12:45 pm.

➤ **Physical facility:**

- Good ventilated with 2 person sharing room is available.
- All basic facility they are providing e.g. washing of cloth, cleaning etc.

➤ **Medical facility**

- One Medical officer also available for the 24 hrs. services.
- Monday and Friday one consultant doctor coming for checkup.

CONCLUSION

On 3rd May, 2025, the Third Year GNM students, along with two faculty members (Mrs. Ashvini Patel and Mrs. Ketika Patel), Visited the Aadhaar Trust Old Age Home with the support and Guidance of our In-charge Principal Dr. Anita Nawale Mam from Sandra Shroff Nursing Vapi., through this visit, the students gained knowledge about the structure of the Institution and the services provided to the residents.

REPORT ON SCHOOL HEALTH PROGRAMME AT DESAIWAD SCHOOL, CHHIRI ON 2ND MAY, 2025

INTRODUCTION

A comprehensive school health programme is an organized a set of policies, procedures and activities designed to protect and promote the health and well-being of students which has traditionally included health services, healthful school environment and health education. Health education builds students' knowledge, skills and positive attitudes about health. Health education teaches about physical, mental, emotional and social health. It motivates students to improve and maintain their health, prevent diseases, and reduce risky behaviours.

OBJECTIVES

The objectives of school health programme are as follows:

- ❖ The promotion of positive health
- ❖ Prevention of diseases
- ❖ Early diagnosis, treatment and follow up of disease
- ❖ Awakenning health consciousness among children
- ❖ Provision of healthy environment

PROGRAMME'S REPORT:

3rd year B.Sc Nursing(5th semester) Students of SSCN had organised School Health Programme on 2nd May, 2025 at Govt. Primary School, Chhiri. The programme was organised under the guidance of Dr.Anita Nawale, I/C Principal, Mrs. Suparna Chakraborty,

Associate Professor, Mrs. Hetal Patel, Assistant Professor & Mrs. Ashvini Patel, Nursing Tutor. Total 331 students are participated in School health assessment.

As a part of School health programme, health assessment was done on 331 students in which include Anthropometric measurement, Eye check-up, ear check-up and Dental check-up. At first registration of all the children was done. Ms. Ritu Kumari & Ms. Day-3, Ms. Sneha Yadav & Ms. Shilpi Sharma gave video teaching on Menstrual Hygiene & Care of adolescent.

THE FINDINGS OF HEALTH ASSESSMENT:

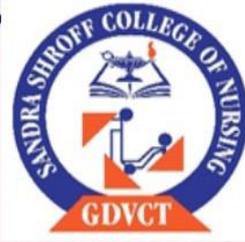

- Result Of Eye Checkup: Overall 80% Students Have Normal Vision And 15% Students Have Blurred Vision & 5% Is Having Myopia
- Result Of Ear Checkup: Overall 95% Students Have Normal Hearing And Only 5% Students Have Hearing Difficulties
- Result Of Dental Checkup: Overall 70% Students Have Good & Neat Clean Teeth While 25% Students Have Yellowish Teeth And 5% Students Have Cavities Present In Their Teeth.

CONCLUSION:-

Students of 3rd year B.Sc nursing along with guidance of three faculty members (Mrs. Suparna Chakraborty, Mrs. Hetal Patel and Mrs. Ashvinil Patel) had organised SCHOOL HEALTH PROGRAMME on 2nd May, 2025 at Govt. Primary School, Chhiri with the support and guidance of I/C Principal Dr. Anita Nawale.

REPORT ON VISIT TO VEGETABLE MARKET AT VIBRANT MARKET, GIDC, VAPI ON 3RD MAY, 2025

INTRODUCTION

An educational visit was planned for the third year B.Sc.(N) students (5th sem) as a part of their curriculum. We as a group of 56 students and 2 faculty members went to Vegetable Market Visit on 3rd May, 2025.

OBJECTIVES

1. To discuss about the quality of and influences of vegetables
2. To learn about the types of food and methods of food collection, storage and supply of fruit and vegetables
3. To understand food supply chain
4. To observe availability, price and consumer demand fruits and vegetables
5. To find wide range of vegetables types and small vendor
6. To know about the food waste management system

LIST OF VEGETABLE.....

- ✓ Tomato.
- ✓ Turmeric.
- ✓ Potato.
- ✓ Mushroom.
- ✓ Watermelon.
- ✓ Muskmelon.
- ✓ Cauliflower
- ✓ Coconut.
- ✓ Mango
- ✓ Drumstick.
- ✓ Peas.
- ✓ Jackfruit.

- ✓ Litchi.
- ✓ Ginger.
- ✓ Garlic.
- ✓ Cabbage.
- ✓ Kiwi.
- ✓ Banana.
- ✓ Spinach.
- ✓

OBSERVATIONS....

- 1) Quality of vegetables - We observed that the vegetables are conducted in form of bunches or bundles of vegetables. Vegetables are very fresh and are not supplied in single form; they are supplied in dozens.
- 2) Types of food – Foods are in various types; there, in that food includes leafy green vegetables, root vegetables, cruciferous vegetables, and more.
- 3) Method of food collection – Food sampling is the crucial process for assessing food quality and safety, often involving specific techniques like foraging, harvesting, modern methods, food storage, food banks, food pantries.

- 4) Storage of food – In a vegetable market, storing food requires a combination of methods to maintain freshness. Leafy greens, mushrooms (store in a paper bag to prevent moisture loss), winter squash (store in a cool, dry, and dark place), onions and garlic, potatoes (store in a cool, dry, and dark place).

5) Vegetable availability – We found that the availability of certain vegetables was seasonal, affecting the pricing and demand.

- 1) Price of vegetables while observing –

We observed different pricing strategies employed by vendors , including competitive pricing , premium pricing and bundle pricing . we also noted that impact of seasonal demand of pricing .

We observed various marketing strategies , including attractive displays , signage , and interpersonal marketing . Some vendors also offered free samples to attract customers

2) Small vendor –

We noted that vendors competed with each other in terms of pricing , quality , and marketing strategies.

CONCLUSION:-

Students of 3rd year B.Sc nursing along with guidance of two faculty members (Mrs. Suparna Chakraborty and Mrs. Hetal Patel) visited Vibrant Market, GIDC, Vapi with the support and guidance of I/C Principal Dr. Anita Nawale.
