4. I .3 - Availability and adequacy of general campus facilities and overall ambience: Describe the availability and adequacy of campus facilities such as hostels, medical facilities, toilets, canteen, post office, bank, roads and signage, greenery, alternate sources of energy, STP, water purification plant, etc. (2024-25)

SSCN provides distinct **hostels** for boys and girls; the **boys' hostel** spans 240 sq.mt. to house students, while the **girls' hostel** covers an area of 1226.32 sq.mt. close to the campus. The girls' hostel can accommodate 100 students, while the boys' hostel can house 66. Both hostels offer a **common room, visitor's lounge, reading room, store, and recreation area**. The campus also features a **200-bed** parent hospital, Haria L.G. Rotary Hospital, where students receive **free** health services, and staff enjoy **50% discounted services** on check-ups, medications, and treatments. The **college** has ensured the availability of separate **bathrooms** for both girls and boys, as well as access to purified drinking water and hand-washing facilities. Additionally, the **canteen** can serve 100 people, and there is a **bank** located within walking distance. The campus is equipped with **outdoor signage** and **wayfinding markers** near road junctions. Our college features a **green campus**, with every corner adorned by trees, flowers, shrubs, creepers, turfs, and other ornamental plant species. It also boasts a **Solar Rooftop Power Generation Plant**. The campus is equipped with a **closed drainage system**, an **automatic RO water purifier**, and a designated **parking area** for convenience.
