Introduction

The Health Committee of Sandra Shroff College of Nursing, Vapi organized a seminar and role play on “One Prick Can Change the Life: Awareness on Prevention of Needle Stick Injury” on 17th January 2026 at 2:00 pm in the Multipurpose Hall. The program aimed to create awareness among nursing students regarding occupational hazards and preventive measures related to needle stick injuries.

Activity

The program commenced with a **welcome address** by **Dr. Anita Nawale, In-charge Principal**, who shared her **live clinical experiences** related to needle stick injuries and delivered a **motivational speech**, emphasizing the importance of adherence to safety protocols and professional responsibility in

clinical practice.

The program included an expert lecture on **Prevention of Needle Stick Injury** delivered by **Mrs. Chaitali Patel, Assistant Professor**. The session highlighted the causes, risk factors, modes of transmission, preventive measures, safe handling and disposal of sharps, and post-exposure management. The session was highly informative and enhanced students’ awareness of safety

practices in clinical settings.
